COMMITTEES:

Active involvement in the organization makes membership more meaningful. We encourage you to choose one of these committees and participate.

Membership Committee

This committee focuses on recruiting new members and monitoring the evolving benefits of membership.

Mentor Program Committee

This mentor encourages the educational and professional goals of the membership by promoting mentor-mentee relationships whereby members may serve as role models or students of all ages aspiring to specific professions and careers.

Program Committee

This committee provides stimulating, imaginative and instructive programs for the benefit of the members and the community at large.

Public Relations Committee

This Committee encourages and promotes a greater understanding between the community and the organization and publicizes the activities of the organization and the community.

Fundraising Committee

This committee plans events that will raise money for the organization in accordance with the organization’s guidelines and approved by the Board of Directors.

Conference/Luncheon Committee

This committee coordinates the activities and responsibilities associated with the organization’s annual luncheon and bi-annual conference.
